SUBJECT INDEX

HEARING

NATURE OF HEARING AND ITS DISORDERS

Auditory and Other Otic Pathologies

- Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.
- Clinical issues in central auditory processing disorders. Keith, R. W. Oct. 1999, 339-344.
- Unilateral hearing loss in children: An update for the 1990s. English, K., & Church, G. Jan. 1999, 26-31.

Hearing Loss and Deafness

The effectiveness of audiologists' information sources for classroom teachers.

Blair, J. C., EuDaly, M., & Von Almen Benson, P. April 1999, 173-182.

Unilateral hearing loss in children: An update for the 1990s. English, K., & Church, G. Jan. 1999, 26-31.

Central Auditory Processing Disorders

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

ASSESSMENT OF HEARING

Diagnostic Audiology—General

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

Clinical issues in central auditory processing disorders. Keith, R. W. Oct. 1999, 339-344.

Diagnostic Audiology—Behavioral

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

INTERVENTION

Habilitation, Rehabilitation, and Education

Auditory integration training: The magical mystery cure. Tharpe, A. M. Oct. 1999, 378-382.

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

Dimensions of multiskilling: Considerations for educational audiology. Johnson, C. E. Jan. 1999, 4-10.

The effectiveness of audiologists' information sources for classroom teachers. Blair, J. C., EuDaly, M., & Von Almen Benson, P. April 1999, 173-182.

The hearing aid effect in African American and Caucasian males as perceived by female judges of the same race. Davis, M., Jackson, R., Smith, T., & Cooper, W. April 1999, 165-172.

Unilateral hearing loss in children: An update for the 1990s. English, K., & Church, G. Jan. 1999, 26-31.

LANGUAGE

NATURE OF NORMAL LANGUAGE

Language Development

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Effects of familiarity on idiom comprehension in African American and European American fifth graders. Qualls, C. D., & Harris, J. L. April 1999, 141-151.

Importance of selected communication skills for talking with peers and teachers: Adolescents' opinions. Reed, V. A., McLeod, K., & McAllister, L. Jan. 1999, 32-49.

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Language Differences and Different Languages

Mediating literacy skills in Spanish-speaking children with special needs. Gutierrez-Clellen, V. F. July 1999, 285-292.

Performances of at-risk, African American preschoolers on the Peabody Picture Vocabulary Test-III. Washington, J. A., & Craig, H. K. Jan. 1999, 75-82.

LANGUAGE DISORDERS

Language Disorders in Children

Altered auditory input and language webs to improve language processing skills. McKinnis, S., & Thompson, M. July 1999, 302-310.

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

Comments on "To use or not to use: Factors that influence the selection of new treatment approaches" by Kamhi (1999). Leonard, L. B. July 1999, 311.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Evaluating language intervention approaches: Contrasting approaches: Epilogue. Craghead, N. A. Oct. 1999, 415-416.

Evaluating language intervention approaches: Contrasting perspectives: Prologue. Craghead, N. A. Oct. 1999, 335-338.

Importance of selected communication skills for talking with peers and teachers: Adolescents' opinions. Reed, V. A., McLeod, K., & McAllister, L. Jan. 1999, 32-49.

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

Is sensory integration effective for children with language-learning disorders?: A critical review of the evidence. Griffer, M. R. Oct. 1999, 393-400.

Language testing in adolescents with brain injury: A consideration of the CELF-3. Turkstra, L. S. April 1999, 132-140.

Listen and learn? A software review of Earobics®. Diehl, S. F. Jan. 1999, 108-116.

Mediating literacy skills in Spanish-speaking children with special needs. Gutierrez-Clellen, V. F. July 1999, 285-292.

Oral language development in a child with Floating-Harbor Syndrome. Muir, N. Y., Allard, G. B., & Greenberg, C. April 1999, 207-211.

Targeting temporal processing deficits through Fast ForWord®: Language therapy with a new twist. Veale, T. K. Oct. 1999, 353-362.

To use or not to use: Factors that influence the selection of new treatment approaches. Kamhi, A. G. Jan. 1999, 92-98.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

What are the executive functions and self-regulation and what do they have to do with language-learning disorders? Singer, B. D., & Bashir, A. S. July 1999, 265-273.

When "Emily Dickinson" met "Steven Spielberg": Assessing social information processing in literary contexts. Donahue, M. L., Szymanski, C. M., & Wujek Flores, C. July 1999, 274-284.

Withdrawn and sociable behavior of children with language impairment. Fujiki, M., Brinton, B., Morgan, M., & Hart, C. H. April 1999, 183-195.

Learning Disabilities

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Importance of selected communication skills for talking with peers and teachers:

Adolescents' opinions. Reed, V. A., McLeod, K., & McAllister, L. Jan. 1999, 32-49.

An introduction to assessment and intervention with older students with language-learning impairments: Bridges from research to clinical practice. Apel, K. July 1999, 228-230.

Is sensory integration effective for children with language-learning disorders?: A critical review of the evidence. Griffer, M. R. Oct. 1999, 393-400.

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Listen and learn? A software review of Earobics®. Diehl, S. F. Jan. 1999, 108-116.

Moving ahead. Apel, K. July 1999, 293-294.

Second chances: Improving decoding skills in the older student. Apel, K., & Swank, L. K. July 1999, 231-242.

What are the executive functions and self-regulation and what do they have to do with language-learning disorders? Singer, B. D., & Bashir, A. S. July 1999, 265-273.

When "Emily Dickinson" met "Steven Spielberg": Assessing social information processing in literary contexts. Donahue, M. L., Szymanski, C. M., & Wujek Flores, C. July 1999, 274-284.

Language Disorders in Mental Retardation

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

Teaching the conditional use of communicative requests to two school-age children with severe developmental disabilities. Reichle, J., & Johnston, S. S. Oct. 1999, 324-334.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

Language Disorders in Personality and Psychiatric Disturbances

Withdrawn and sociable behavior of children with language impairment. Fujiki, M., Brinton, B., Morgan, M., & Hart, C. H. April 1999, 183-195.

Social Competence and Language Impairment

Withdrawn and sociable behavior of children with language impairment. Fujiki, M., Brinton, B., Morgan, M., & Hart, C. H. April 1999, 183-195.

Pragmatic Language Impairment

Withdrawn and sociable behavior of children with language impairment. Fujiki, M., Brinton, B., Morgan, M., & Hart, C. H. April 1999, 183-195.

ASSESSMENT AND INTERVENTION

Screening

The diagnostic accuracy of four vocabulary tests administered to preschool-age children. Gray, S., Plante, E., Vance, R., & Henrichsen, M. April 1999, 196-206.

Assessment

Assessment of complex sentence production in a narrative context. Gummarsall, D. M., & Strong, C. J. April 1999, 152-164.

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Classroom-based assessment of a collaborative intervention program with kindergarten and first-grade students. Farber, J. G., & Klein, E. R. Jan. 1999, 83-91.

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Computer-based language assessment software: The effects of presentation and response format. Haaf, R., Duncan, B., Skarakis-Doyle, E., Carew, M., & Kapitan, P. Jan. 1999, 68-74.

The diagnostic accuracy of four vocabulary tests administered to preschool-age children. Gray, S., Plante, E., Vance, R., & Henrichsen, M. April 1999, 196-206.

A format for identifying interactions among measures of communication skills: A case study. Hargrove, P. M., Frerichs, J., & Heino, K. Jan. 1999, 11-25.

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

An introduction to assessment and intervention with older students with language-learning impairments: Bridges from research to clinical practice. Apel, K. July 1999, 228-230.

Language testing in adolescents with brain injury: A consideration of the CELF-3. Turkstra, L. S. April 1999, 132-140.

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Moving ahead. Apel, K. July 1999, 293-294.

Performances of at-risk, African American preschoolers on the Peabody Picture Vocabulary Test-III. Washington, J. A., & Craig, H. K. Jan. 1999, 75-82.

Second chances: Improving decoding skills in the older student. Apel, K., & Swank, L. K. July 1999, 231-242.

When "Emily Dickinson" met "Steven Spielberg": Assessing social information processing in literary contexts. Donahue, M. L., Szymanski, C. M., & Wujek Flores, C. July 1999, 274-284.

Intervention

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Classroom-based assessment of a collaborative intervention program with kindergarten and first-grade students. Farber, J. G., & Klein, E. R. Jan. 1999, 83-91.

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

An introduction to assessment and intervention with older students with language-learning impairments: Bridges from research to clinical practice. Apel, K. July 1999, 228-230.

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Listen and learn? A software review of Earobics®. Diehl, S. F. Jan. 1999, 108-116.

Mediating literacy skills in Spanish-speaking children with special needs. Gutierrez-Clellen, V. F. July 1999, 285-292.

Moving ahead. Apel, K. July 1999, 293-294.

Oral language development in a child with Floating-Harbor Syndrome. Muir, N. Y.,

Allard, G. B., & Greenberg, C. April 1999, 207-211.

Phonological awareness and production: Changes during intervention. Harbers, H. M., Paden, E. P., & Halle, J. W. Jan. 1999, 50-60.

Second chances: Improving decoding skills in the older student. Apel, K., & Swank, L. K. July 1999, 231-242.

Targeting temporal processing deficits through Fast ForWord®: Language therapy with a new twist. Veale, T. K. Oct. 1999, 353-362.

Teaching the conditional use of communicative requests to two school-age children with severe developmental disabilities. Reichle, J., & Johnston, S. S. Oct. 1999, 324-334.

To use or not to use: Factors that influence the selection of new treatment approaches. Kamhi, A. G. Jan. 1999, 92-98.

To use or not to use: Factors that influence the selection of new treatment approaches: Response to Leonard (1999). Kamhi, A. July 1999, 311-312.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

When "Emily Dickinson" met "Steven Spielberg": Assessing social information processing in literary contexts. Donahue, M. L., Szymanski, C. M., & Wujek Flores, C. July 1999, 274-284.

Nonspeech Communications Systems

Look who's pointing now: Cautions related to the clinical use of facilitated communication. Calculator, S. N. Oct. 1999, 408-414.

Teaching the conditional use of communicative requests to two school-age children with severe developmental disabilities. Reichle, J., & Johnston, S. S. Oct. 1999, 324-334.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

Use of Computer Software in Teaching

Listen and learn? A software review of Earobics®. Diehl, S. F. Jan. 1999, 108-116.

Reading

An introduction to assessment and intervention with older students with language-learning impairments: Bridges from research to clinical practice. Apel, K. July 1999, 228-230.

Moving ahead. Apel, K. July 1999, 293-294.

Second chances: Improving decoding skills in the older student. Apel, K., & Swank, L. K. July 1999, 231-242.

Spelling

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Syndrome

Oral language development in a child with Floating-Harbor Syndrome. Muir, N. Y., Allard, G. B., & Greenberg, C. April 1999, 207-211.

Writing

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Auditory Processing

Targeting temporal processing deficits through Fast ForWord®: Language therapy with a new twist. Veale, T. K. Oct. 1999, 353-362.

SPEECH

SPEECH AND VOICE DISORDERS

Articulation and Resonance Disorders

Oral language development in a child with Floating-Harbor Syndrome. Muir, N. Y., Allard, G. B., & Greenberg, C. April 1999, 207-211.

ASSESSMENT AND INTERVENTION

Assessment

Computer-based language assessment software: The effects of presentation and response format. Haaf, R., Duncan, B., Skarakis-Doyle, E., Carew, M., & Kapitan, P. Jan. 1999, 68-74.

Nonspeech Communication Systems

Look who's pointing now: Cautions related to the clinical use of facilitated communication. Calculator, S. N. Oct. 1999, 408-414.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

PROFESSIONAL AND GENERAL SCIENTIFIC ISSUES

PROFESSIONAL AFFAIRS

Professional Standards and Ethics

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

Service Provision Models and Problems

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Computer-based language assessment software: The effects of presentation and response format. Haaf, R., Duncan, B., Skarakis-Doyle, E., Carew, M., & Kapitan, P. Jan. 1999, 68-74.

Dimensions of multiskilling: Considerations for educational audiology. Johnson, C. E. Jan. 1999, 4-10.

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

Issues and applications of sensory integration theory and treatment with children with language disorders. Mauer, D. M. Oct. 1999, 383-392.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

Research Issues and Methodology

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Issues and applications of sensory integration theory and treatment with children with language disorders. Mauer, D. M. Oct. 1999, 383-392.

Look who's pointing now: Cautions related to the clinical use of facilitated communication. Calculator, S. N. Oct. 1999, 408-414.

Interdisciplinary Concerns

Auditory integration training: The magical mystery cure. Tharpe, A. M. Oct. 1999, 378-382.

Dimensions of multiskilling: Considerations for educational audiology. Johnson, C. E. Jan. 1999, 4-10.

Issues and applications of sensory integration theory and treatment with children with language disorders. Mauer, D. M. Oct. 1999, 383-392.

PROFESSIONAL TRAINING

Education and Continuing Education

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

Clinical Supervision and Interaction

The effectiveness of audiologists' information sources for classroom teachers. Blair, J. C., EuDaly, M., & Von Almen Benson, P. April 1999, 173-182.

TITLE INDEX

Altered auditory input and language webs to improve language processing skills. McKinnis, S., & Thompson, M. July 1999, 302-310.

Assessment and intervention in overcoming writing difficulties: An illustration from the self-regulated strategy development model. Graham, S., & Harris, K. R. July 1999, 255-264.

Assessment of complex sentence production in a narrative context. Gummarsall, D. M., & Strong, C. J. April 1999, 152-164.

Auditory integration training: The magical mystery cure. Tharpe, A. M. Oct. 1999, 378-382.

Auditory integration training: One clinician's view. Madell, J. R. Oct. 1999, 371-377.

Checks and balances: Keeping the science in our profession. Apel, K. Jan. 1999, 98-107.

Classroom-based assessment of a collaborative intervention program with kindergarten and first-grade students. Farber, J. G., & Klein, E. R. Jan. 1999, 83-91.

Clinical decision-making in the assessment and intervention of central auditory processing disorders. Friel-Patti, S. Oct. 1999, 345-352.

Clinical issues in central auditory processing disorders. Keith, R. W. Oct. 1999, 339-344.

Comments on "To use or not to use: Factors that influence the selection of new treatment approaches" by Kamhi (1999). Leonard, L. B. July 1999, 311.

Computer-assisted language intervention using Fast ForWord®: Theoretical and empirical considerations for clinical decision-making. Gillam, R. B. Oct. 1999, 363-370.

Computer-based language assessment software: The effects of presentation and

response format. Haaf, R., Duncan, B., Skarakis-Doyle, E., Carew, M., & Kapitan, P. Jan. 1999, 68-74.

The diagnostic accuracy of four vocabulary tests administered to preschool-age children. Gray, S., Plante, E., Vance, R., & Henrichsen, M. April 1999, 196-206.

Dimensions of multiskilling: Considerations for educational audiology. Johnson, C. E. Jan. 1999, 4-10.

The effectiveness of audiologists' information sources for classroom teachers. Blair, J. C., EuDaly, M., & Von Almen Benson, P. April 1999, 173-182.

Effects of familiarity on idiom comprehension in African American and European American fifth graders. Qualls, C. D., & Harris, J. L. April 1999, 141-151.

Evaluating language intervention approaches: Contrasting approaches: Epilogue. Creaghead, N. A. Oct. 1999, 415-416.

Evaluating language intervention approaches: Contrasting perspectives: Prologue. Creaghead, N. A. Oct. 1999, 335-338.

A format for identifying interactions among measures of communication skills: A case study. Hargrove, P. M., Frerichs, J., & Heino, K. Jan. 1999, 11-25.

The hearing aid effect in African American and Caucasian males as perceived by female judges of the same race. Davis, M., Jackson, R., Smith, T., & Cooper, W. April 1999, 165-172.

Importance of selected communication skills for talking with peers and teachers: Adolescents' opinions. Reed, V. A., McLeod, K., & McAllister, L. Jan. 1999, 32-49.

The influence of language/cognitive profile on discourse intervention outcome. Cole, K. N., Coggins, T. E., & Vanderstoep, C. Jan. 1999, 61-67.

An introduction to assessment and intervention with older students with language-learning impairments: Bridges from research to clinical practice. Apel, K. July 1999, 228-230.

Is sensory integration effective for children with language-learning disorders?: A critical review of the evidence. Griffer, M. R. Oct. 1999, 393-400.

Issues and applications of sensory integration theory and treatment with children with language disorders. Mauer, D. M. Oct. 1999, 383-392.

Language testing in adolescents with brain injury: A consideration of the CELF-3. Turkstra, L. S. April 1999, 132-140.

Learning to spell: Implications for assessment and intervention. Masterson, J. J., & Crede, L. A. July 1999, 243-254.

Listen and learn? A software review of Earobics®. Diehl, S. F. Jan. 1999, 108-116.

Look who's pointing now: Cautions related to the clinical use of facilitated communication. Calculator, S. N. Oct. 1999, 408-414.

Mediating literacy skills in Spanish-speaking children with special needs. Gutierrez-Ciellen, V. F. July 1999, 285-292.

Moving ahead. Apel, K. July 1999, 293-294.

Oral language development in a child with Floating-Harbor Syndrome. Muir, N. Y., Allard, G. B., & Greenberg, C. April 1999, 207-211.

Performances of at-risk, African American preschoolers on the Peabody Picture Vocabulary Test-III. Washington, J. A., & Craig, H. K. Jan. 1999, 75-82.

Phonological awareness and production: Changes during intervention. Harbers, H. M., Paden, E. P., & Halle, J. W. Jan. 1999, 50-60.

Second chances: Improving decoding skills in the older student. Apel, K., & Swank, L. K. July 1999, 231-242.

Targeting temporal processing deficits through Fast ForWord®: Language therapy with a new twist. Veale, T. K. Oct. 1999, 353-362.

Teaching the conditional use of communicative requests to two school-age children with severe developmental disabilities. Reichle, J., & Johnston, S. S. Oct. 1999, 324-334.

To use or not to use: Factors that influence the selection of new treatment approaches. Kamhi, A. G. Jan. 1999, 92-98.

To use or not to use: Factors that influence the selection of new treatment approaches: Response to Leonard (1999). Kamhi, A. July 1999, 311-312.

Unilateral hearing loss in children: An update for the 1990s. English, K., & Church, G. Jan. 1999, 26-31.

Views of facilitated communication: What's the point? Duchan, J. F. Oct. 1999, 401-407.

What are the executive functions and self-regulation and what do they have to do with language-learning disorders? Singer, B. D., & Bashir, A. S. July 1999, 265-273.

When "Emily Dickinson" met "Steven Spielberg": Assessing social information processing in literary contexts. Donahue, M. L., Szymanski, C. M., & Wujek Flores, C. July 1999, 274-284.

Withdrawn and sociable behavior of children with language impairment. Fujiki, M., Brinton, B., Morgan, M., & Hart, C. H. April 1999, 183-195.
